

REMARKS

In the Office Action mailed on April 26, 2006, the Examiner rejected claims 21-30 under 35 U.S.C. 112, first paragraph for failing to comply with the written description and enablement requirements and rejected claims 1-26 and 28-32 under 35 U.S.C. 103(a) as being unpatentable over U.S. Patent No. 5,602,916 to Grube et al. in view of U.S. Patent No. 5,930,361 to Hayashi et al.

In response, Applicant has amended claim 13 to correct a minor informality and cancelled claims 21-26 and 28-32. No new matter has been added.

Applicant respectfully requests entry of this amendment as it materially reduces issues on appeal.

CONCLUSION

No fees are due for this Amendment beyond the fees for a Petition for a 1 Month Extension of Time. However, the Office is authorized to charge any additional fees or underpayments of fees (including fees for petitions for extensions of time) under 37 C.F.R. 1.16 and 1.17 to account number 502117. Any overpayments should be credited to the same account.

Respectfully submitted,

Xin Qiu et al.
